Gathering over food after the farewell of a special person is a great way to continue sharing memories and catching up with friends and family. At each of Grahams venues in Tuakau, Pukekohe and Waiuku, we invite you to use our reception facilities to refresh and relax. Our catering team are proud to offer quality food and service, and understand the importance of the occasion.

To help our staff, we require an estimate of numbers for catering at least 48 hours prior to the funeral service.

Charges for the reception facilities are as follows:

Tuakau \$320.00, Pukekohe \$290, and Waiuku (includes whole site) \$400 (gst incl).

Our hostesses prepare, serve and tidy up afterwards so you can enjoy time with your loved ones.

Our catering service can also be offered at other venues such as churches and community halls, or your own home. Please note our Out Catering surcharge of \$180 applies to all non-Grahams venues.

We respectfully request no alcoholic beverages in our facilities. If this does not suit your requirements, we would be pleased to suggest another venue.
